		Jalen Hurts	PHI	\$9,000	\$8,200	СНІ	48.5	4	31	15	27.07		0.91	52.77	L	CASH	The Eagles entire offense is in an incredible spot against this Bears defense and they are firing on all cylinders. Hurts has elite floor with his rushing ability and easily one of the highest weekly ceilings too. I don't usually like paying up in cash games at QB, but I am probably going to this week.
	QB	Patrick Mahomes	кс	\$9,100	\$8,100	нои	49.5	2	17	32	27	.34	0.70	21.54	L	GPP	Mahomes is pretty matchup proof, but the Texans have been stingy on opposing QBs. That might be because opponents choose to run at vill against them, too. I don't think we can totally ignore Mahomes in a game with the highest total, however.
		Justin Herbert	LAC	\$8,300	\$7,200	TEN	46.5	22	28	2	19.43		0.45	11.00	L	Slate-Breaker	Herbert is my second favorite QB behind Hurts this week. Tennessee bleeds production to opposing passing games and got gashed again last week by Lawrence. Herbert has been in good form and has all his receiver healthy now.
		Dak Prescott	DAL	\$7,500	\$6,200	JAX	48	17	30	8	17.04		0.54	11.75	L	Strong	Dak is facing the pass-funnel Jags defense and while he hasn't been all that great lately, it's a true eruption spot for him if Dallas ends up having to throw more than they usually want to.
		Mac Jones	NE	\$6,700	\$5,000	LV	44.5	24	32	5	12	.76	0.42	8.70	М	GPP	Man, I don't want to play Mac Jones but the Raiders are the worst pass defense in the league and he's dirt cheap with some cheap options for stacking, too.

		Josh Jacobs	LV	\$9,200	\$8,100	NE	44.5	5	10	78.4	31	24.08	95.00%	23.22	L	CASH	Jacobs isn't the top play by any means this week, but he's certainly in the conversation for cash games with a relatively weak field of RBs due to the smaller slate based on his volume alone.
		Derrick Henry	TEN	\$8,900	\$8,000	LAC	46.5	20	25	81.6	5	23.15	71.40%	20.31	L	CASH	Henry is the top RB play on the board for me, it's easy to see why we like him with the great matchup, volume, and TD equity.
	RB -	Tony Pollard	DAL	\$8,200	\$7,100	JAX	48	4	16	72.9	13	14.38	32.30%	17.72	L	GPP	Pollard is too good not to grab some exposure to as we saw him get into the end zone twice again last week.
	KB	James Conner	ARI	\$7,200	\$6,900	DEN	37	27	17	72	19	16.90	42.90%	14.71	М	GPP	Conner should be leaned on heavily again this week with the Cardinals facing a tough Denver secondary with their backup QB.
		Miles Sanders	PHI	\$7,800	\$6,500	СНІ	48.5	1	29	80.7	4	17.08	35.20%	16.02	L	CASH	Sanders smashed for us last week and I'm ready to ride him again this week in another amazing spot.
		Isiah Pacheco	кс	\$7,600	\$5,900	нои	49.5	11	27	84.3	1	10.23	42.40%	7.31	L	CASH/GPP	Pachecho is still the lead back, even if McKinnon is stealing some passing downs and got two TDs last week. He makes a ton of sense in this spot against the woeful Texas run defense.
		Najee Harris	PIT	\$6,600	\$5,700	CAR	37	16	19	70.1	16	16.85	58.30%	12.31	н	GPP	I really don't want to play any Steelers this week with Trubisky under center, but Najee has shown a little flash here lately and he's super cheap.
